# Mycotoxin Screening -

| Analysis of Mycotoxins.   Date Performed: |    | LOQ (mg/g) | LOD (mg/g) | Status |  |
|---|----|------------|------------|--------|--|
| Aflatoxin B1                              | NT |            |            |        |  |
| aflatoxin B2                              | NT |            |            |        |  |
| Aflatoxin G1                              | NT |            |            |        |  |
| Aflatoxin G2                              | NT |            |            |        |  |
| Ochratoxin A                              | NT |            |            |        |  |

# Terpene Profiling -

| alysis of terpenes. [SOP-012]   Date Performed: | PPM      | mg/g    | LOQ (mg/g) | LOD (mg/g) | L.C. <sup>2</sup> | Status |
|---|----------|---------|------------|------------|-------------------|--------|
| -Myrcene  | NT       |         |            |            |                   |        |
|   |          |         |            |            |                   |        |
| a-Bisabolol                                     | NT       |         |            |            |                   |        |
| d3-Carene                                       | NT       |         |            |            |                   |        |
| d-Limonene                                      | NT       |         |            |            |                   |        |
